

Ramakant Singh-EC Vice President

HSCF 2027–2028 Term

ABOUT ME

I am an experienced technology and enterprise systems professional with **37+ years of consulting and information technology experience** across public and private sectors.

My professional journey has centered on financial systems, ERP transformation, payroll, system integration, and organizational operations. I have worked across Federal, State & Local Government, K–12, Higher Education, Bio-Tech, Pharmaceutical, Automotive, Airlines, Electronics, Utilities, and other industries.

I believe strong institutions are built through **service, accountability, financial discipline, teamwork, and transparency**. I hope to bring my professional experience and commitment to seva in supporting HSCF and our community.

MY VISION

To support HSCF through **responsible financial stewardship, transparent processes, disciplined operations, and collaborative leadership**, while preserving our temple's spiritual and cultural mission for future generations.

EXECUTIVE PROFILE

- **37+ years of consulting and information technology experience** across public and private-sector organizations.
- SAP Certified professional with expertise in **HCM/Payroll, FI/CO and SLCM**.
- Extensive experience with enterprise platforms including **SAP, PeopleSoft, Oracle and Workday**.
- Strong background in **financial systems, payroll, ERP implementation, system integration, operational support and enterprise transformation**.

- Experience serving complex organizations where **financial accountability, controls, accuracy and reliable systems** are essential.

PROFESSIONAL EXPERIENCE

- Led and supported large-scale **ERP implementations, integrations and enterprise system transformations**.
- Extensive consulting experience across **Federal, State & Local Government, K-12 and Higher Education** environments.
- Private-sector experience spanning **Bio-Tech, Pharmaceutical, Automotive, Airlines, Electronics, Utilities and other industries**.
- Experience integrating financial, human resources, payroll and operational systems across complex organizations.
- Worked with business and technology stakeholders to improve processes, controls, reporting and system reliability.

FINANCIAL & TREASURY STRENGTHS

- **SAP FI/CO expertise**, providing a strong foundation in financial accounting, controlling and enterprise financial processes.
- Experience supporting systems involving **financial reporting, budgeting, accounting processes, Funds & Grants management, payroll and organizational controls**.
- Understanding of the importance of **accuracy, reconciliation, documentation, internal controls and accountability**.
- Ability to bring a structured, systems-oriented approach to HSCF's financial and administrative operations.
- Committed to helping ensure that temple resources are managed with **transparency, discipline and responsible stewardship**.

LEADERSHIP & OPERATIONAL STRENGTHS

- More than three decades of experience working with diverse teams, stakeholders and organizational leadership.
- Strong understanding of **business processes, technology, finance and organizational operations**.
- Experienced in identifying process gaps and developing practical, sustainable solutions.
- Collaborative approach focused on **teamwork, communication, accountability and execution**.
- Ability to bridge the gap between **financial requirements, operational needs and technology systems**.

VALUE TO HSCF — VICE PRESIDENT

- Support the President, Executive Committee and Board in executing HSCF priorities.
- Help strengthen **operational discipline, planning, accountability and cross-functional coordination**.

- Apply extensive enterprise experience to improve processes and institutional continuity.
- Encourage collaborative decision-making while keeping the temple's mission and community at the center.

Bring 33+ years of enterprise systems experience and SAP FI/CO expertise to HSCF's financial operations.

- Support stronger financial reporting, controls, reconciliation, documentation and transparency.
- Help modernize and streamline financial processes while maintaining appropriate checks and balances.
- Work collaboratively with the Board, Executive Committee, auditors, financial institutions and volunteers to promote responsible stewardship of HSCF resources.

LEADERSHIP COMMITMENT

Service · Financial Stewardship · Transparency · Accountability · Teamwork · Technology · Community

I am committed to serve HSCF with humility and responsibility and to work collaboratively with our devotees, volunteers, priests, Executive Committee and Board to strengthen our institution for future generations.

EDUCATION

MBA: (Specialization in FI & Systems) - Xavier Labor Relations Institute, Jamshedpur, India.
Bachelor of Engineering: (Mechanical) – MNNIT, Prayagraj, India.

Respectfully,
Ramakant Singh

Candidate — EC Vice President
