

## Sanjeev Singla

*Candidate for Executive Committee Chair:  
Education, Youth Group, Senior Citizens &  
Volunteer Services*

### About Me & Community Roots

A resident of Central Florida for over 16 years and living near HSCF for the past eight, my family and I visit the temple regularly and remain deeply committed to its spiritual and cultural life. Each year, we sponsor an annual *pooja* to support temple traditions and community welfare.

Having served as Social Services Chair (2025) and currently as Chair for Education, Youth, Seniors & Volunteers (2026), I bring proven governance experience, strong community ties, and a clear operational vision to this role.

### Key Achievements & Impact (2024–2026)

- **Education & Cultural Enrichment:** Expanded HSCF's educational umbrella to host SAT prep, Shloka classes, Robotics, and regional language programs (Tamil, Marathi). Led the annual Saraswati Pooja blessing ceremony with record attendance and book/pen distributions. Coordinated scholar visits, lectures, and youth workshops like *Guru Vandana* and *Make My Ganesha*.
- **Senior & Community Engagement:** Launched popular community Karaoke Nights, creating an inclusive musical space that brought together senior citizens and diverse regional groups across all generations.
- **Volunteer Mobilization & Tech Initiatives:** Built the HSCF Volunteer WhatsApp Community to streamline event staffing. Actively developing a digitized volunteer sign-up and notification system to make volunteering effortless and accessible.
- **Youth Leadership & Service:** Supported youth-led community outreach initiatives, including the Sandwich Club for charitable food distribution.
- **Event Leadership:** Co-led operational logistics and volunteer coordination for the past two HSCF Annual Festivals.

## **Vision for the Next Term**

- **Expand Educational Capabilities:** Maintain a curated library of religious and philosophical texts, partner with guest scholars on Sanatana Dharma lectures, and scale current educational offerings (Yoga, academic prep, and performing arts).
- **Strengthen Volunteer Systems:** Launch the digital volunteer portal to automate scheduling, track service hours, and encourage broader youth and adult participation across all Society committees.
- **Institutionalize Senior & Youth Programming:** Establish recurring monthly activities tailored specifically to senior engagement, while mentoring youth leaders to drive service projects under the HSCF banner.
- **Transparent Fiscal Governance:** Ensure rigorous budget planning and seamless collaboration with the Executive Committee and Board of Trustees to align all activities with the Society's core mission and values.
