

MUKESH PATEL

Candidate for EC Maintenance Chair

A long-time devotee of our temple, I am an experienced Maintenance manager with decades of experience managing commercial and residential buildings in the area, ensuring smooth operations, troubleshooting equipment, and providing exceptional customer service. I have extensive knowledge of electrical, plumbing, carpentry, and HVAC systems, along with strong problem-solving skills. My key strengths include a strong work ethic, reliability, and demonstrated ability to multitask and prioritize workloads. I am an excellent motivator and team builder. If elected, I will come to HSCF ready to hit the ground running and implement preventive maintenance that saves money in the long run.

My Core Skills:

- Electrical and Plumbing Systems Repair
- HVAC Systems Service and Repair
- Building Maintenance and Troubleshooting
- Project Management
- Working with Teams
- Time Management
- Problem Solving
- Supervisory Experience

Professional Experience – Many decades.

- In the maintenance business for decades.
- Managed many staff and contractors and vendors, directing residential and commercial service, repair, and maintenance activities
- Developed and implemented cost- effective maintenance plans and procedures that improved operational efficiency
- Performed troubleshooting and repair of electrical, plumbing, carpentry, and HVAC systems
- Responded to emergency maintenance issues and implemented preventative maintenance
- Monitored and ordered inventory levels to ensure adequate supplies were available

What I bring to the table:

Core experience and knowledge to keep our temple facilities running smoothly.
